5th September 1949.

Dear Mr.Srinivasar

I write to state that in Government Order No.6105-6/C.B./204-47-2 dated 26th **February** 1948, my services were loaned to the Indian Institute of Science, Bangalore, for a period of 2 years till 17th November 1949 for appointment as Director of the Institute and I was also allowed in G.O. No.3145-46/C.B./165-48-2 dated 6th November 1948, to avail of the leave and provident fund benefits admissible under the Regulations and By-laws of the Institute as no leave contribution was levied.

At the last meeting of the Governing Council of the Indian Institute of Science held on 19th August 1949, the Council, I am pleased to intimate, expressed their appreciation of my services to the Institute and sanctioned the grant to me of leave admissible under the Institute's by-laws, viz., 2 months and 7 days compensatory leave on full pay and 1 month and 12 days additional leave on half pay. An extract from the resolution of the Council is enclosed herewith.

I am availing of the leave kindly sanctioned by the Council with effect from the 13th inst. and have proposed to undertake a tour of visit to industrial and technical institutions in Europe and also spend the holidays there. As I find it necessary to spend a little longer time abroad in order to see the various

centres in several countries such as France, Switzerland, etc., besides England, I request you to kindly obtain and convey the sanction of Government to the grant of leave on average salary earned under Mysore Service for a period of 8 weeks in continuation of the leave periods sanctioned to me by the Institute. This will mean that I shall have to report for duty in my new charge by 1st March 1950. It may perhaps be enough to obtain orders of Government regarding my new appointment about the 15th February next. I may mention here that as I have not utilised any privilege of other leave in Mysore Service for several years, I will have adequate leave at my credit. I have informally mentioned to the Chief Minister my intentions as indicated above. I request you to kindly obtain the early orders of Government sanctioning the grant of leave on average salary of 8 weeks and approving the above proposals. Thanking

Yours sincerely,

Ekambaram

K.Srinivasan, Esq., B.Sc

(iv That during the periods of leave Mr.Iyer be permitted to continue to occupy if so desired by him, the bungalow at present being occupied by him on payment of rent and other charges as at present;
